

Brief Bio
Shanika Amarasinghe

Introduction:

I am an accomplished Corporate Governance professional with a strong track record in implementing and managing Corporate Governance Frameworks within organisations. My specific expertise is in Company Secretarial, Risk, Compliance and Policy and Framework creation.

I have successfully contributed to many Director induction, training and evaluation processes. With a keen eye for detail and a results-driven mindset, I excel in delivering strategic solutions that create value. I am passionate about continuous improvement and leveraging my expertise to make a meaningful impact in my field.

Personally, I am passionate about music, travel and being involved in the community.

Education Qualifications:

Associate Member Chartered Governance Institute Australia and the Institute of Chartered Secretaries and Administrators, UK.

Master of Business Law Southern Cross University, Australia.

Work Experience:

24 and a half years' experience in Corporate Governance and Company Secretarial both here in Australia and overseas. Post qualification experience 21 years with 18 of them in Australia.

Other:

I work closely with my daughter's Basketball team and used to be the manager. I have since moved to a more strategic role where I provide the coach with all the analytics regarding opposing teams.

I currently also serve as the Co-President of my School's Past Pupils Association in Melbourne as well as its Events Co-ordinator so there are other skills I can bring to the table.
